## What is RGW's 100% Charity Model?

We are committed to not charging any administrative costs on program funds, ensuring that every penny you donate goes directly to beneficiaries in the form of food, healthcare, shelter, education, or scholarships. Furthermore, in Canada and the USA, your donations are tax-deductible.

## How does RGW achieve this?

Our leadership team consists of volunteers. In addition, we collaborate with regional and local foundations, sponsors, and volunteers, working together to make a meaningful impact in diverse global communities, especially in areas requiring immediate attention.

## How about refugee boys?

We're often asked if we provide aid to refugee boys too, and the simple answer is yes! While our main focus is on addressing the unique challenges girls face, such as early marriages, we also recognize that boys encounter difficulties in refugee settings. Therefore, we prioritize supporting the entire family unit to ensure that both girls and boys receive the essential help they need.

## How to help RGW?

There are numerous ways to support our cause! You can donate through our website, become a sponsor for our fundraising events, volunteer your time, or simply follow us on social media to help spread awareness.
